Participant Feedback	IAS Response
Expand on root cause analysis	This course only allows for two hours on the subject of addressing findings. Root Cause analysis techniques could not be covered in depth. This skillset is the subject of a separate course for those who wish to know more.
Offer a document or place to find legal verbiage that would be helpful or common definitions of "pit falls"	Not certain about the desired topic to be covered in this search for legal verbiage. However, will raise this issue specifically with next class to ensure they are comfortable with being able to find info on definitions.

Other comments:

- Ned is a great teacher. Course objectives were stated very clearly and the course gave me so much more knowledge after two days. Ned is very passionate about his job and I would gladly take another course taught by him.
