Participant Feedback	IAS - Response
Some examples require knowledge of that industry/equations. Made it difficult to follow occasionally.	Understood. Fortunately, our trainer has a lot of experience, likes people, and loves this topic.

Other comments:

- Once again Helga was outstanding, incredibly helpful in what is a very dry topic. I like the balance of instructions and the time to work the problems independently. Thank you!
- Helga is a GREAT TRAINER
- The material was a little difficult, but the instructor did a good job.
- Good course. I learned new concepts, and why MU is important.
