

## CONDITIONS FOR APPLICATION

1. As a condition of the accreditation, the applicant acknowledges that the International Accreditation Service, Inc. (IAS), staff or authorized representative(s) shall conduct assessments of the applicant to verify compliance with the applicable accreditation criteria and rules of procedure.
2. Accreditation by IAS does not imply any guarantee or warranty, express or implied and including but not limited to any warranty of merchantability or fitness for any particular purpose, of any services provided by the applicant, or any guarantee or warranty of any nature by IAS concerning any services provided by the applicant. Applicant agrees that it shall have no cause of action or claim against IAS, International Code Council (ICC), or any of their affiliates, parent, or brother or sister corporations or their Successors-in-Interest or assigns, or the officers, directors, members and employees thereof (collectively, the "Indemnitees"), arising in any manner from any denial of this application or from any accreditation given pursuant to this application, whether or not such accreditation is or is not subject to any conditions. Applicant agrees to hold the Indemnitees harmless, and to protect, defend and indemnify them, with respect to any claim, liability, demand, action, judgment, proceeding, costs, damages and expenses (including attorneys' fees) whether for personal injury, wrongful death, property damage, or any type of injury or damage whatsoever, arising from:
  - a. the application and accreditation.
  - b. any services of any nature provided by the applicant.
  - c. the use of any service of any nature offered by the applicant, whether related to the matters set forth in the first sentence of this paragraph or otherwise; or
  - d. the reference to or reliance upon, actual or asserted, any approval given by the applicant, or any services rendered by the applicant. California law shall apply to the interpretation hereof. If any part or portion of this paragraph, or any application thereof to particular facts, should be determined invalid, the provisions hereof shall be severable so as to achieve for the Indemnitees the maximum legal application. If this application relates to a renewal of an existing accreditation, the provisions of this paragraph shall apply from the date of the first granting of accreditation, whether upon application or without application by applicant or a predecessor and regardless of:
    - i. intervening modifications of said accreditation or modifications pursuant to any application for renewal.
    - ii. any prior change in the number assigned to the accreditation.
    - iii. any prior change in ownership rights in or rights to said accreditation since the granting of said first accreditation listing.
3. In consideration of the processing of this application, the applicant agrees to abide and be bound by any conditions attached to any accreditation or renewal thereof issued pursuant to this application, or any later amendment of said listing or renewal, the *Rules of Procedure for Accreditation Criteria for Validation and Verification Bodies*, which by this reference are made a part hereof, the applicable *Accreditation Criteria for Validation and Verification Bodies (AC800)* which by this reference is made a part hereof, and any additions, deletions, or changes to such Rules or Accreditation Criteria hereafter adopted. In agreeing to abide and be bound by the applicable Rules of Procedure and the Accreditation Criteria applicant understands that the failure to do so may result in the revocation, cancellation, suspension, or modification of accreditation issued pursuant thereto in accordance with the terms of the Rules of Procedure.
