

## REQUEST FOR QUOTATION For Validation and Verification Bodies Accreditation

**Name of Applicant VVB:** \_\_\_\_\_  
*Legally registered name*

**Address of Applicant VVB:** \_\_\_\_\_  
*Street Address*  
\_\_\_\_\_  
*City/State/Province                      Zip/Postal Code                      Country*

**Applicant VVB Telephone No.:** \_\_\_\_\_ **Fax No.:** \_\_\_\_\_

**Email Address:** \_\_\_\_\_ **Website:** \_\_\_\_\_

**Name and Title of Technical Contact Person:** \_\_\_\_\_

**Telephone No.:** \_\_\_\_\_ **Email Address:** \_\_\_\_\_

**Identify the type of Validation or Verification activities for which accreditation is applied:**

**A) For GHG validation/verification accreditation:**

- Verification of GHG inventories
- Validation of GHG reduction or removal projects
- Verification of GHG reduction or removal projects

**B) For Other types of validation / verification accreditation:**

- Water footprint verifications
- Carbon footprint of product
- Environmental labels and declarations
- Other validation / verification (please specify the scheme/program title under which the validation / verification will be conducted): e.g. Construction, Chemical production etc...

**List all locations where the following activities for the validation/verification program are conducted. Include a description of the key activities that take place in each office.**

*e.g. Key Activities:*

1. Process and/or procedures development,
2. Team qualification and oversight of competence requirements,
3. Pre-engagement activities,
4. Engagement and Planning activities,
5. Review and Decision making and issuance of VV statement

| LOCATIONS / ADDRESS: | ACTIVITIES | KEY CONTACT PERSONNEL |
|----------------------|------------|-----------------------|
|                      |            |                       |
|                      |            |                       |

**GHG Programs and Type of GHG VV engagement / project:**

A) Identify the GHG programs for which you seek to provide accredited validation and verification.

*Note: if you seek to provide accredited validation or verification for a GHG program not listed below then please specify those program(s).*

The Climate Registry

Climate Action Reserve

Oregon Greenhouse Gas Reporting Program

American Carbon Registry

Canadian Federal Output-Based Pricing System

(OBPS) established under the Greenhouse Gas  
Pollution Pricing Act (GGPPA)

Canadian Federal Greenhouse Gas Offset Credit  
System Regulations

Canadian Federal Clean Fuel Regulations:  
SOR/2022-140

Ontario Regulation O. Reg. 390/18

British Columbia Greenhouse Gas Emission  
Reporting Regulation

British Columbia Greenhouse Gas Emission Control  
Regulation

British Columbia Greenhouse Gas Emission Control  
Regulation

Quebec Regulation Q-2, r.15 Reporting Regulation

Quebec Regulation Q-2, r.46.1 Cap & Trade Regulation

Carbon Offsetting and Reduction Scheme for  
International Aviation (CORSIA)

UNFCCC / CDM

ISO 14064-1:2018 (exclusive - if not part of the  
program)

ISO 14064-2:2019 (exclusive - if not part of the  
program)

Others (please specify):

B) For each GHG program indicated above, please provide a list of engagements / project types (including number of engagement) for which you seek accreditation:

| GHG PROGRAM(S) | NUMBER AND TYPE OF GHG VV ENGAGEMENT / PROJECT |
|----------------|--|
|                |  |
|                |  |
|                |  |

*Note: if the engagement/project listing requires more space, please prepare and send an additional page.*

### Proposed Scope of Accreditation:

A) Identify activities and Sector Groups as your desired scope of GHG Validation / Verification Program Accreditation.

#### Organization-Level Verification Sector Groups:

1 – General

1a - Subgroup: Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA)

2 – Manufacturing

3 – Power Generation

4 – Electric Power Transactions

5 – Mining and Mineral Production

6 – Metal Production

7 – Chemical Production

8 – Oil and gas extraction, production and refining including petrochemicals

9 – Waste Management

10 – Agriculture, Forestry and Other Land Use (AFOLU)

11 – Others: \_\_\_\_\_

*Note: Specify the sector groups (refer to IAF MD 14, Table 1.1)*

### Project-Level Validation / Verification Sector Groups:

| SECTOR GROUPS   | PROJECT-LEVEL VALIDATION | PROJECT-LEVEL VERIFICATION |
|---|--------------------------|----------------------------|
| 1 – Manufacturing Industries  |                          |                            |
| 2 – Construction  |                          |                            |
| 3 – Transport   |                          |                            |
| 4 – Mining/Mineral Production   |                          |                            |
| 5 – Energy Industries (renewable/non-renewable sources)   |                          |                            |
| 6 – Energy Demand or Distribution   |                          |                            |
| 7 – Metal Production  |                          |                            |
| 8 – Chemical Industry   |                          |                            |
| 9 – GHG emission reductions from industrial processes (non-combustion, chemical reaction, fugitive and other) |                          |                            |
| 10 – GHG emission reductions from fuel combustion   |                          |                            |
| 11 – Carbon Capture and Storage   |                          |                            |
| 12 – Waste Handling and Disposal  |                          |                            |
| 13 – Livestock  |                          |                            |
| 14 – Land Use and Forestry  |                          |                            |
| 15 – Others _____<br><i>Note: Specify the sector groups (refer to IAF MD 14, Table 1.2)</i>                   |                          |                            |

B) Identify the scheme that relates to your desire scope for types of validation / verification accreditation other than specified above (if any):
